foreword

This, the twentieth Blackhawk, may well be called the green aeroplane number. The aeroplane is a symbol of power and beauty, progress and promise. Although it has suffered many reverses, great things are expected of it as better inventions are perfected to make safe the airways. Great things are also expected of Davenport High School with its two thousand students, a student body larger than the population of many towns. As one must look up to see the flying aeroplane, so does D. H. S. look toward and strive for greater achievement.

dedication

Dear Miss Bissell: You know all about annuals. You know about deadlines, finances, proofreading, and the million and one other details that must be carefully watched over. This is your first year away from annual making. If we may judge by our experience, you found annual work both a great burden and a great joy. We dedicate this annual to you, Miss Bissell. We know that you, more than anyone else, will understand the work, pleasures, worries, and fun we have had.

Affectionately yours,

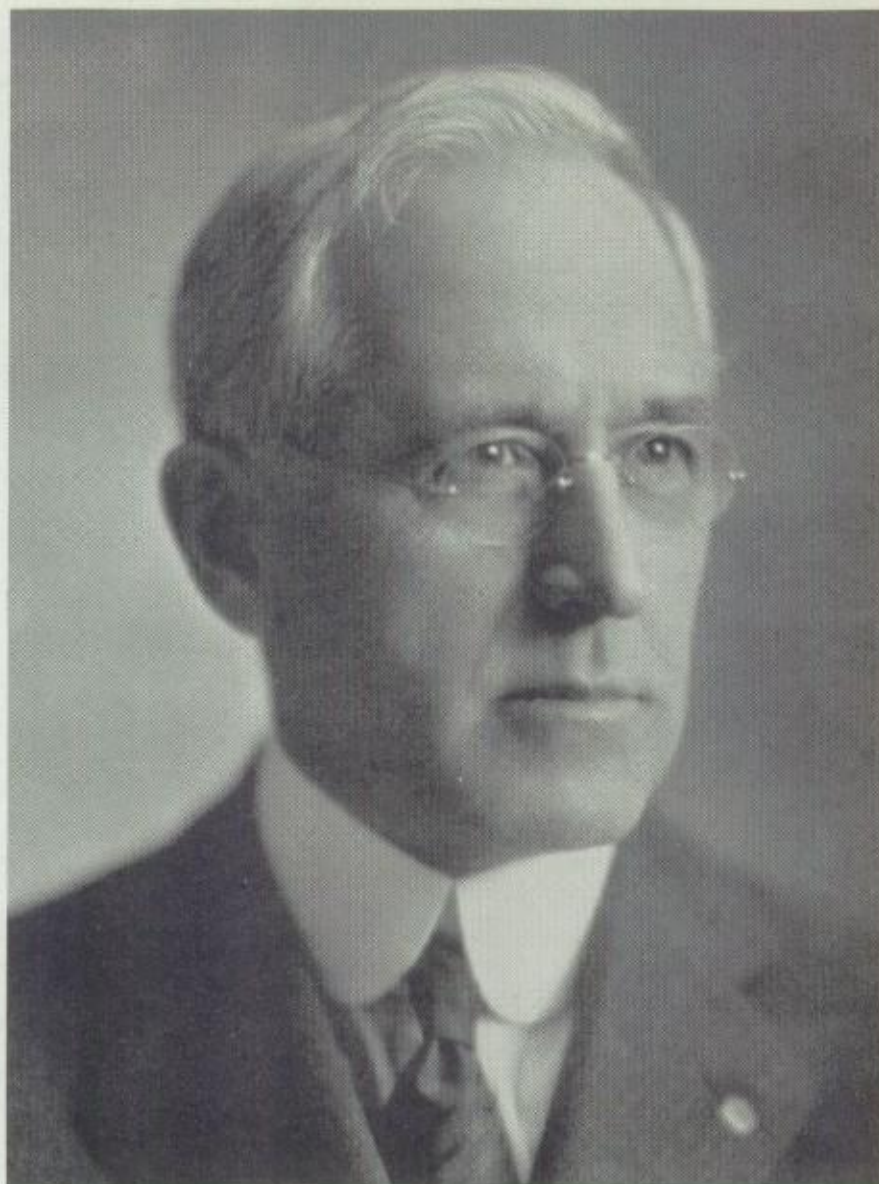

The Blackhawk Staff.

In Memoriam

FRANK L. SMART

Although the death of Superintendent Frank L. Smart on October 7, 1936, at the age of seventy-four was not unexpected, it was with a sense of real personal loss that the teachers and students of the Davenport schools learned that the head of the public schools system for the past thirty years was dead.

Frank L. Smart came to Davenport as high school principal in 1906 and was appointed superintendent the following year. Born at Mt. Gilead, Ohio, in 1862, he attended Northern Indiana Normal at Valparaiso, and was graduated from Harvard in 1896. He was listed in "Who's Who" and last year the name of West Intermediate was changed to the Frank L. Smart Intermediate.

MISS ELLA BEHNKE

Miss Ella Behnke, instructor in the Davenport High School since 1888, died on December 7, 1936, after a lingering illness.

Born in Davenport in 1866, she received her education in the local public schools and was valedictorian of her class. She was graduated from Chicago University and continued her study of French at Columbia University, New York City.

Formerly instructor of German, she began teaching French in recent years, and had been active in her work until February, 1936, when she retired from high school.

MATTHEW LAWRENCE

Mr. Matthew Lawrence, teacher of sociology, history, and printing classes, died October 12, 1936, after a brief illness caused by a streptococcus infection. Born in 1889 at Hudson, Illinois, he received successive higher degrees from Shurtleff College, Alton, Illinois, and the University of Illinois.

While teaching in Butte, Montana, he enlisted in the First Division at the beginning of the war, and taught at the Officers' Training School in France where he was second lieutenant. Mr. Lawrence came to Davenport High School in 1922.

THE MONUMENT

The Monument is a landmark familiar and dear to all who have attended Davenport High School. How many thousands of students have seen it daily since it was first erected in 1880! Each year, on May 30, it is the site of impressive Memorial Day ceremonies, honoring especially the veterans of the Civil War. Of late there has been considerable agitation in regard to its being torn down. We sincerely hope that this will never happen.

faculty

Greetings From Our Principal

To the Graduating Classes of 1937:

The time has arrived when you have closed your books for the last time. Your tasks with us have been completed. Now you leave Davenport High School to take your place in life outside the school.

Whatever your calling in life may be, you need to remember that the chief requisites to success are the old-fashioned virtues—accuracy, honesty, promptness, fidelity, the acceptance of responsibility—the virtues which we so often neglect as being out of date. They will go out of date with the multiplication table and the alphabet, not before. Without them you cannot expect to climb to any worthy position whatsoever. "The elevator to success is not running; take the stairs."

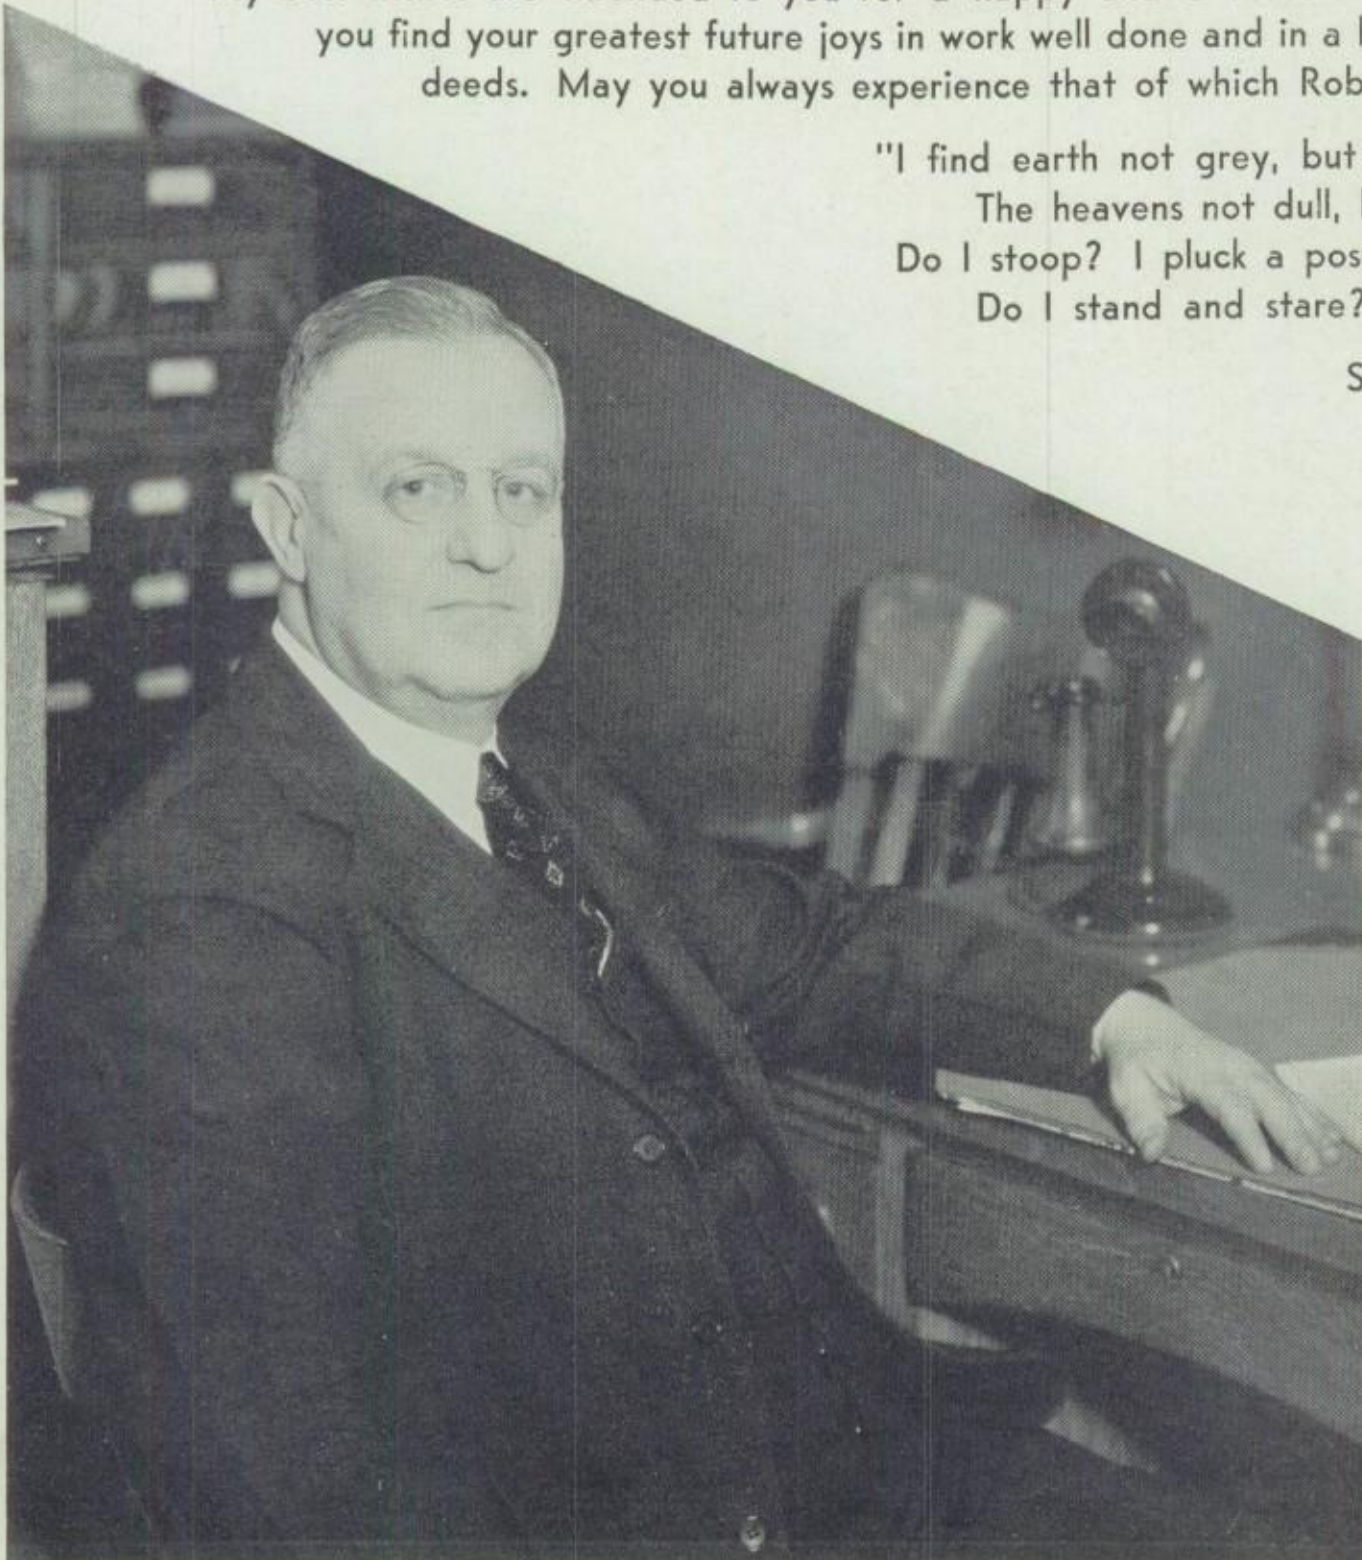

Facts you have learned will soon go from you and often are not worth remembering. But methods, insights, appreciations, understandings, values—extracted from many studies, as attar of roses from many flowers—these will abide and travel with you through the years.

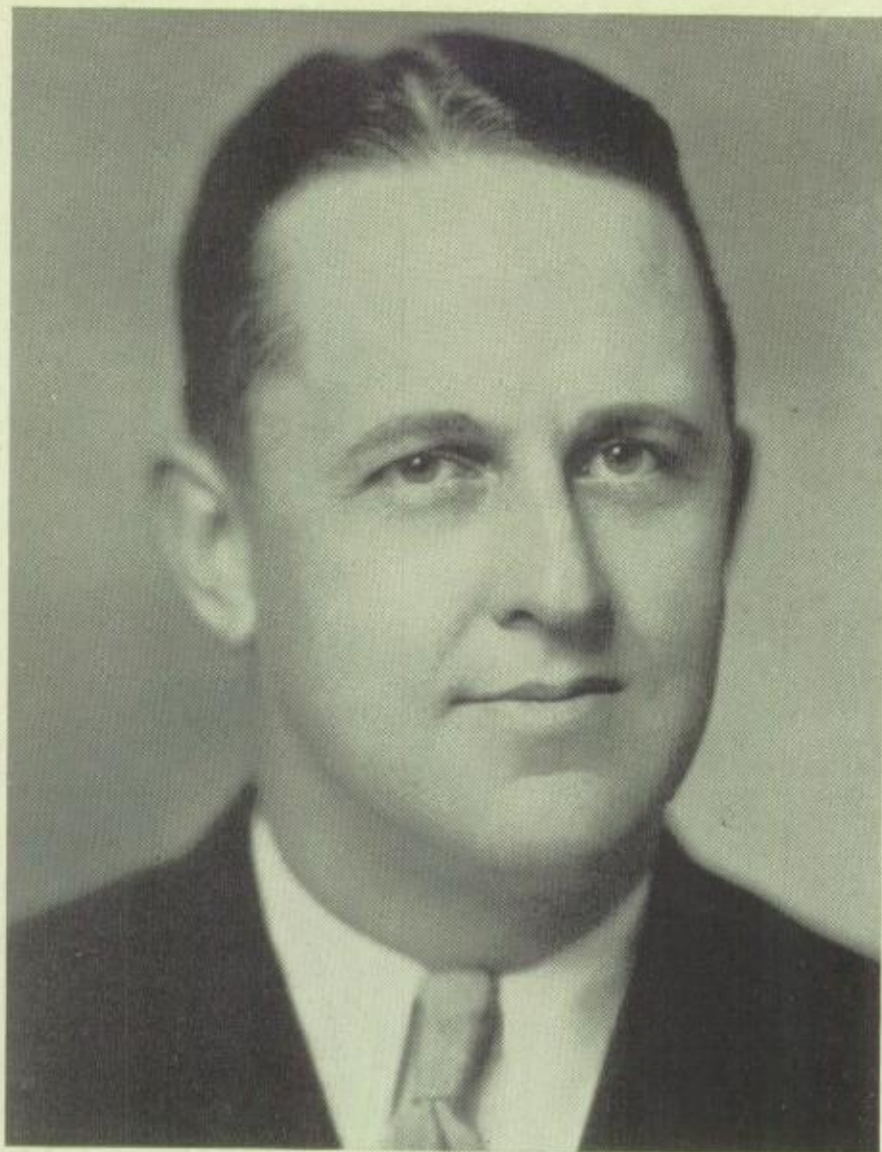

My best wishes are extended to you for a happy and a successful life's voyage. May you find your greatest future joys in work well done and in a life crowned with good deeds. May you always experience that of which Robert Browning wrote:—

"I find earth not grey, but rosy
The heavens not dull, but fair of hue;
Do I stoop? I pluck a posy;
Do I stand and stare? All's blue."

Sincerely,

A. I. Naumann

Mr. Young, Boys' Adviser, came to Davenport High School last year. He organized the Service Club, and in his spare moments, if advisers have spare moments, he helps direct the wrestling team.

May the memories recalled by this record of your high school days be ever happier as time goes on, serving to remind you of the high ambitions which are yours today as members of the class of '37.

I appreciate the opportunities I have had of associating with you this past year.

Paul A. Young

Miss Soehren, who succeeds Miss Esther Bissell as Girls' Adviser, came to us this year from Blue Island, Illinois. She is also general adviser of Student Club.

The richest treasures you will know will be the friendships you have made. May you ever cherish the friendships you have formed here at D. H. S., and the associations with both fellow students and members of the faculty.

Just girls! Than to know them and to work among them, here is my own Alma Mater, what more could one desire?

THOSE WHO EDITED THE 1937 ANNUAL

Pat and Clare were the co-pilots of the good plane "Blackhawk." They piloted their plane through everything from minor air pockets to major disturbances of the elements. Many times dead-lines seemed landing fields never to be reached, but on each occasion the ship came safely in to its hangar.

They were greatly aided by the super salesmanship of Chief Mechanic Jimmy Christensen. He and his two assistants, Bob Jones and Lorraine King, succeeded in getting quite a large sum over their necessary quota.

Other members of the crew were Marian Soenke, who dashed between boys' and girls' gyms getting all the data on D. H. S. sports; Marian Bawden who got the names for the club pictures; Frances Vogel, who, as chairman of the yearbook art department, supervised the work of her twenty-two assist-

ants; Betty Arnould who was in charge of the teachers' section and pasted in panels all the teachers' and students' pictures at the engraver's; Margaret Kuttler, who was overseer of the senior section and was responsible for most of the senior write-ups; and Bill Johnson, the staff photographer, who ably assisted by Charles Oysler, took the snapshots in this publication. Secretary Ella Guenther and typists Kenneth Warren and Jeanne Zesiger were invaluable helpers.

This year the Blackhawk yearbook has been the only publication at Davenport High School. The bi-weekly Blackhawk newspaper of former years was not issued regularly.

The Dramatic Club is an organization which aims to promote a spirit of comradeship among students interested in dramatics. Invitations to membership are issued by the executive council after candidates have met standard requirements. Two meetings are held each month, one a business meeting, the other a social meeting. The highlights of this year's several meetings were the fall hayrack ride and wiener roast, the midwinter theatre tours, and the spring picnic.

The major production which was the big "hit" of the year was the three-act play "Dulcy," written by Kaufmann and Connelly. It was presented in the high school auditorium Friday evening, April 16.

Beautifully staged and acted with almost professional ease, this hilarious comedy was enthusiastically received by a large audience. Miss Elizabeth G. Andersch directed.

The numerous laughter-provoking situations arose from the conflict of personalities assembled at "Dulcy's" week end party.

Scatter-brained Dulcy, with her ardent desire for furthering her husband's career and her equally rampant ideas on match-making, found her well-laid plans constantly going astray. The results of her "helping" were at times almost disastrous, but always comical. The scene, laid in her charming suburban home, afforded ample opportunity for effective lighting and a modern interior set. Those in the cast included:

"TEAPOT ON THE ROCKS"

Under Miss Elizabeth G. Andersch, room 63, the expression room, was converted into a "little theater" this year. The class members were the stock company. A completely equipped stage was erected at one end of the room and the students themselves built the footlights and made the curtains. They also designed and painted the scenery for the little theater as well as the big sets for productions in the auditorium.

From this work shop came a number of plays. The first program of three one act plays was presented on the evening of December 18 in the high school auditorium.

"Teapot on the Rocks" the first of the three was a comedy which dealt with the trials experienced by two girls in opening a tea room. The play was written by John Kirkpatrick. The cast:

Daisy	Barbara Jane Reynolds -M.
May	Marian Bawden
Mrs. Carstairs	Wanda Lee Carter
Ray	Charles Vorderberg
Willy	Willard Webb
Gas Man	Roy Robinson -M.

"FINDERS KEEPERS"

The second play, "Finders Keepers," by George Kelly was a drama about a wife who had found four hundred dollars and wanted to keep it, an honest husband who wished to return the money, and the neighbor who had lost four hundred dollars. The play was cast as follows:

Mr. Aldrid	Walter Beckmann -M.
Mrs. Aldrid	Thekla Mohr
Mrs. Hampton	Elaine Hummel

"GOOD MEDICINE"

"Good Medicine" by Jack Arnold, the third play, concerned a young doctor who was just setting up practice, and an eccentric millionairess bent on finding an honest doctor. Those in the cast:

The Doctor	Howard Kennedy
The Doctor's Wife	Emily Shaw -M.
Hettie	Jeanette Geest -M.

"DOLLARS TO DOUGHNUTS"

For the first time in the history of D. H. S., a mid-year graduating class presented its own senior class play. The play chosen by the January 12A's was "Dollars to Doughnuts," a three-act comedy by Glen Hughes. Miss Mae Alma Wicks, faculty director, had charge of the production. The play concerned a rich family who were attempting to appear poor and rich at the same time. It was presented January 15. The cast:

Caroline	Margaret Stephens - M.

"BELIEVE IT OR NOT"

The June senior class play was "Believe It or Not," an exaggerated comedy concerning the misfortunes of a young writer. His troubles began when the editors of a true story magazine checked up on a story which he had sent in as being "all true." The lines and situations were especially funny, and there were laughs a-plenty. Miss Mae Alma Wicks, faculty director, cast the play as follows:

Mrs. Stewart	Gwen Flanigan
Henry Malone	Walter Beckmann - M.
James Reynolds	Henry Higgins

SPEECH REPRESENTATIVES

Representation in a national speech tournament is only one of the many honors won by Davenport High public speakers in 1937.

The right to enter the tournament of the National Forensic League at Jacksonville, Illinois, during the first week of May was won by Bill Rivkin, Dorothea Guenther, and Sam Gilman. These three speakers won first place in original oratory, extemporaneous speaking, and oratorical declamation respectively in the Iowa District Contest of the NFL at Oskaloosa. Bill Rivkin proved himself the twelfth best speaker in the nation at the Jacksonville meet.

For the second consecutive year, Bill Rivkin won a state title. In 1936, it was for extemporaneous speaking. This year, Rivkin, the Davenport representative in original oratory in the Iowa High School Forensic League, took first place in that division in the state finals at Iowa City on April 2. Sam Gilman ranked ninth in extemp.

THE 1937

The trophy for winning the greatest number of points in the entire Iowa Nine speech competition again goes to D. H. S. which captured 101 points compared to 80 for second-place Iowa City.

The competition began in January when Davenport set a new record in the Boys' Declamatory contest. Sam Gilman, dramatic, and Bill Rivkin, oratorical, each received first place, while Bob Svendsen took second in the humorous division.

The Davenport representatives in the Girls' Iowa Nine Declam contest were Elaine Hummel, oratorical, Wanda Lee Carter, dramatic, and winner of first place in Iowa Nine, and Mary Jane Rivkin, humorous.

The concluding Iowa Nine contest of the year, extemporaneous speaking and original oratory, gave D. H. S. two firsts and a second. Bill Rivkin won first in the boys' extemp while Dorothea Guenther received first in the girls' extemp. William Fraser took second in original oratory.

DEBATERS

The "reps" in the State Declamatory association were Mary Jane Rivkin in the humorous division, William Fraser in the oratorical, and Sam Gilman in the dramatic division. Fraser went the farthest, being eliminated at West Liberty in the District contest on March 30.

Several dual contests completed the season. In an all girl contest with Muscatine, the D. H. S. speakers were Elaine Hummel, Dorothea Guenther, Wanda Lee Carter, Floy Latimer, and Mary Jane Rivkin.

In the Boys' Declam contest with Muscatine, Merrill Baker, Oliver Hansen, Warren Engel, and Morris Tekosky spoke in the oratorical division; James Christensen, Louis Pannone, Harry Longenecker, and Donald Plumb in the dramatic division; and Stanley Kroeger, Bob Svendsen, Charles Rehling, and Bob Madden in the humorous division.

Dual oratorical contests with East Moline and Rock Island completed the schedule. Jack Alderdice, William Fraser, Harry Longenecker, Sam Gilman, Bill Rivkin, and Nathan Ander orated against

Negative

East Moline. Those who spoke against Rock Island were Bill Rivkin, Sam Gilman, Julian Weigle, James Christensen, Stephen McShane, and William Fraser.

The debaters of Davenport High have just completed another successful season of arguing. Starting the year with a rather mediocre team, Coach A. E. Keiber turned out an aggregation which wound up fourth best in the state.

Ames, the state champion, Iowa City, the runner-up, and Fort Dodge, third place winner, are ranked ahead of Davenport.

The debaters captured two firsts, a second, and three fourths in six tournaments against the best teams in Iowa and Illinois.

For the first time in history Davenport was represented in the tournament of the National Forensic League. The league, now in its seventh year, embraces over thirty states and includes all kinds of speech activities. To qualify for the national tournament at Jacksonville, Illinois, during the first week of May, the debaters had to win first place at Oskaloosa in the Iowa District Tournament of the NFL, or first or second place at Iowa City in the state finals. Since the team won second and fourth respectively in these tournaments, it failed to qualify for the national tournament. However, Davenport was invited to enter the debate team on the basis of its record during the year. That record stands at 57 victories against 21 defeats.

D. H. S. emerged fourth out of twenty-three schools in the pre-season Augustana Tournament. The debaters took first place in the Iowa Nine Tournament for the second successive year.

In the state series Davenport ranked fourth in the sectional, first in the district, and fourth in the state finals tournament.

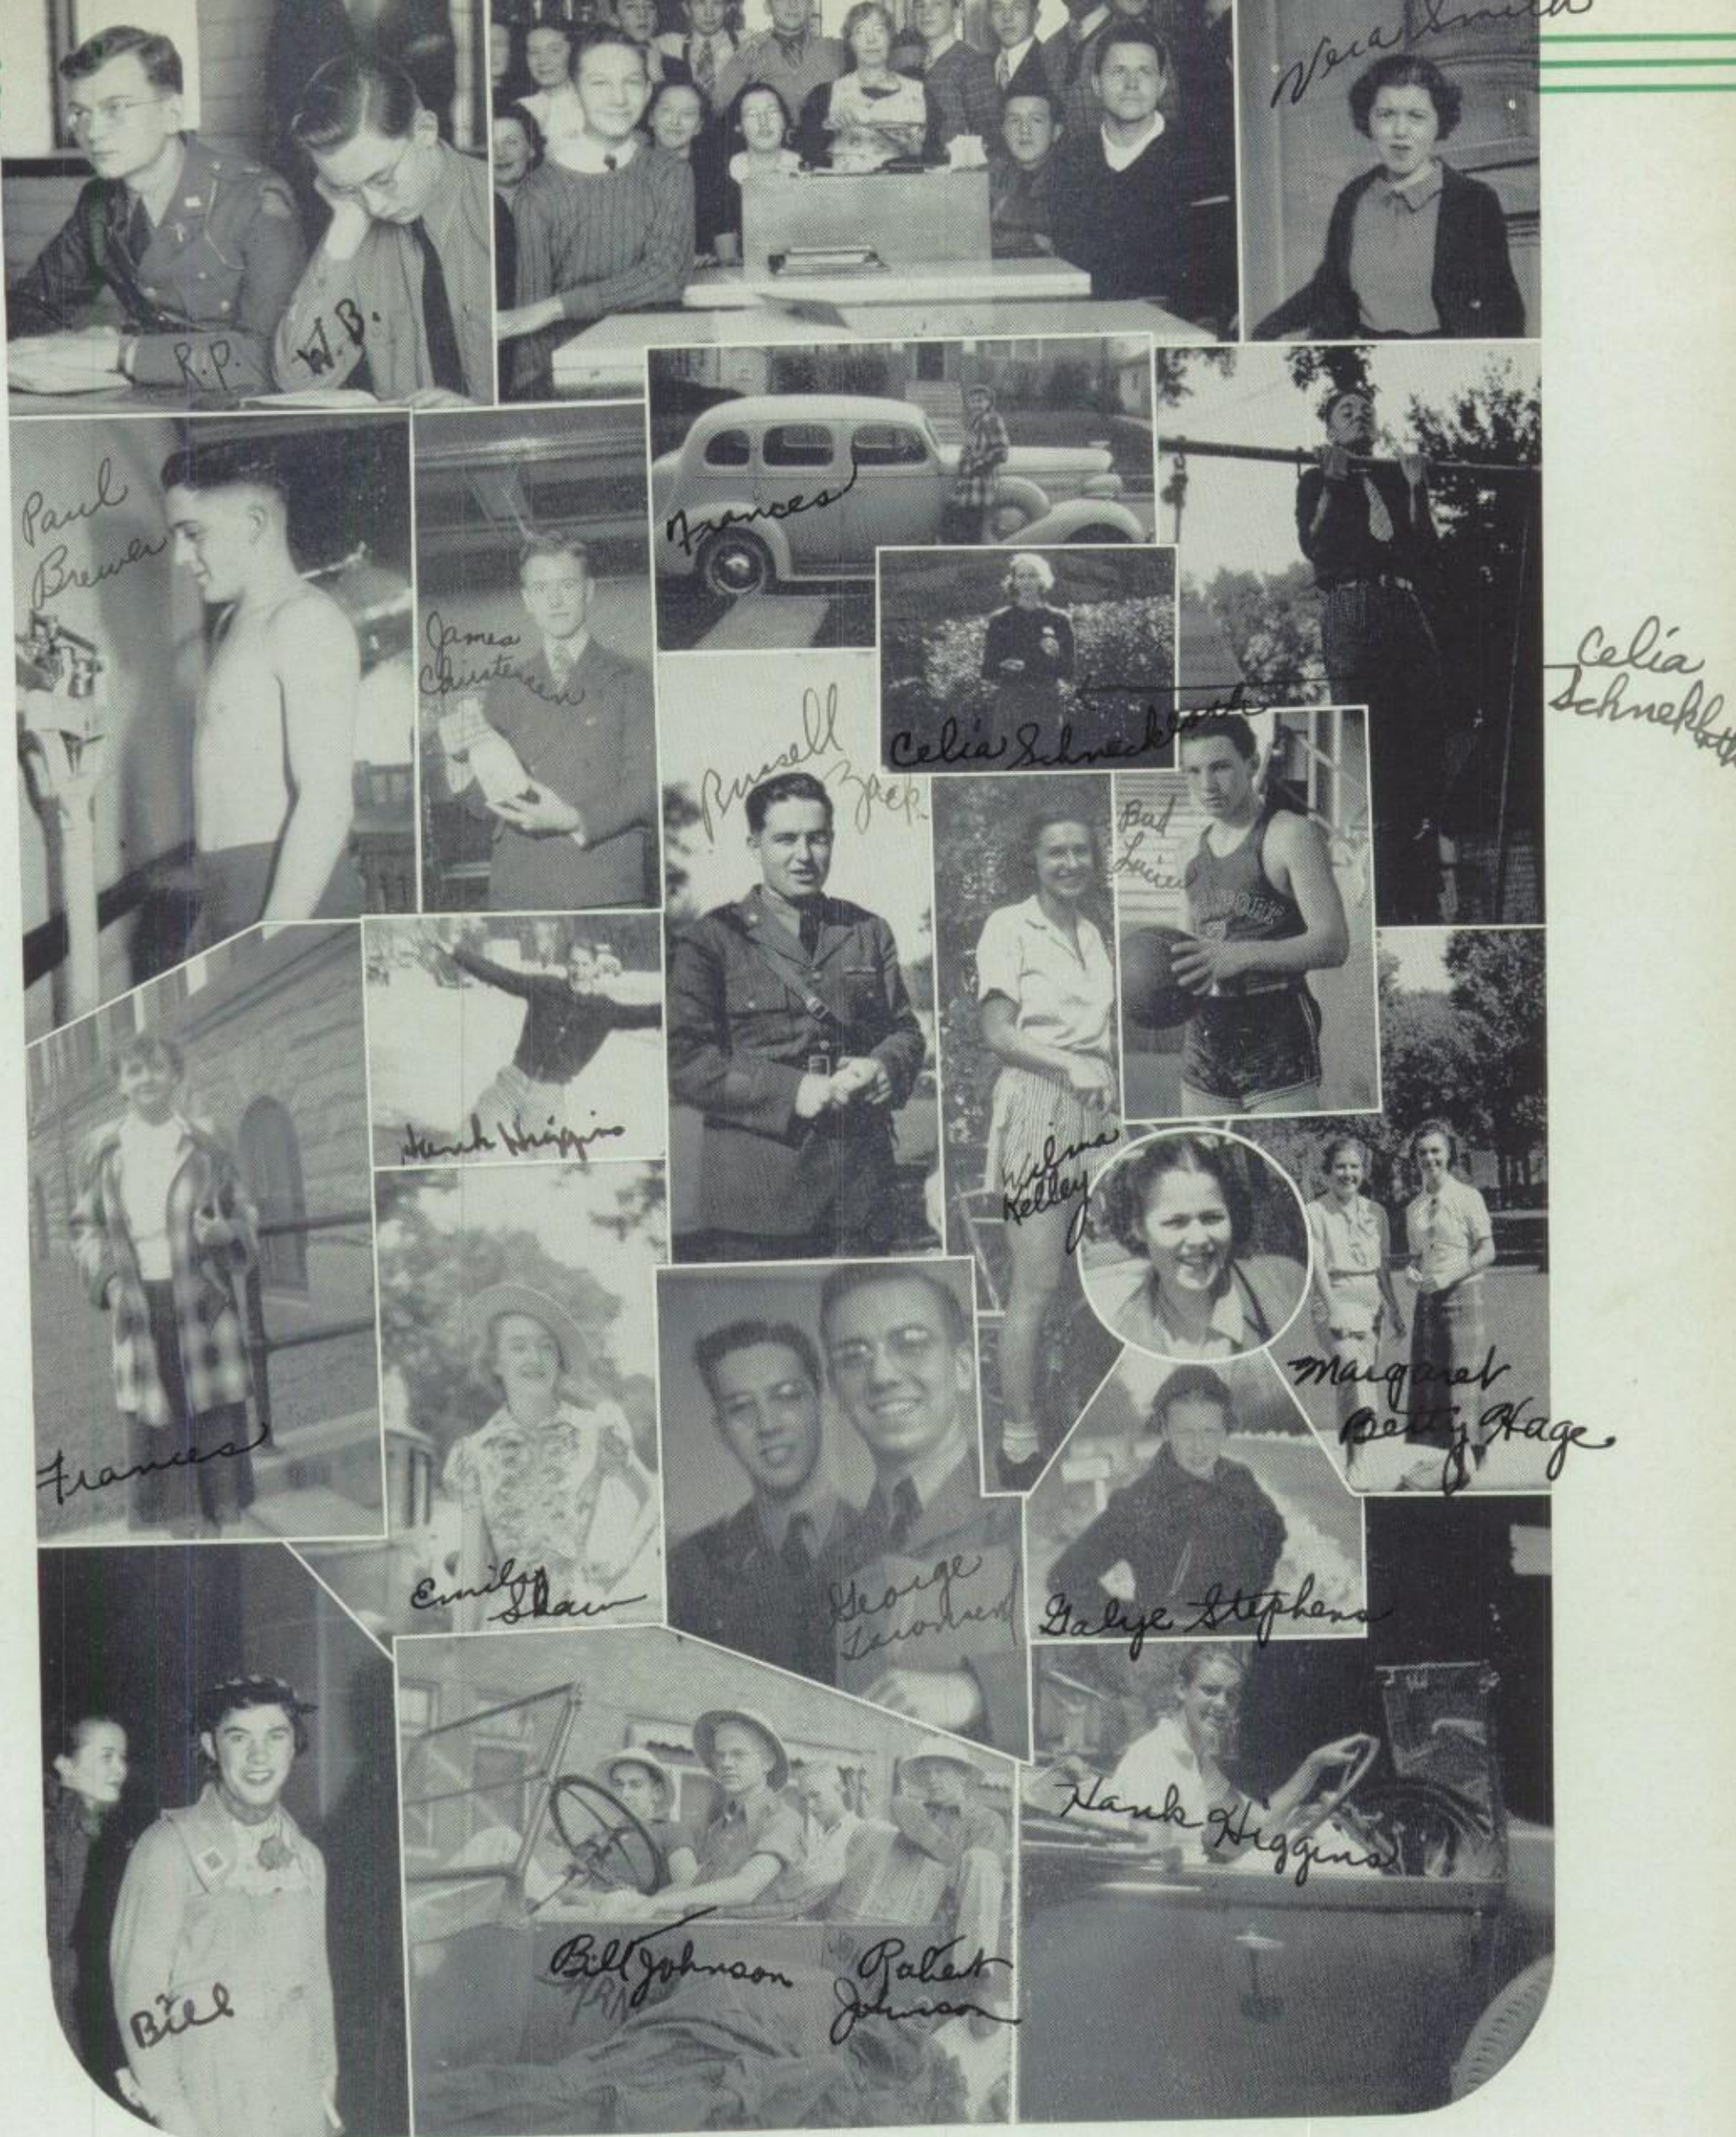

The debaters for the majority of the tournament debates were Bill Rivkin and Floy Latimer on the affirmative with Sam Gilman alternating, and Dorothea Guenther and Harry Longenecker on the negative with Oliver Hansen as alternate.

Non-tournament debates with Geneseo, Monmouth, Kewanee, Moline, Princeton, and Burlington completed the schedule. For these debates William Fraser, Douglas Williamson, Dick Gadiant, Nathan Ander, and Floy Latimer argued for the affirmative. James Christensen, Julian Weigle, Merrill Baker, and Curtis Bush debated on the negative.

The debate question throughout the season was: "Resolved: That all electric utilities should be governmentally owned and operated."

Several outstanding individual performances were recorded during the season. Floy Latimer, first affirmative speaker, won nineteen straight debates before losing one. Dorothea Guenther, negative leader, is the first girl ever to become a team leader in Mr. Keiber's twenty-seven years of experience. Bill Rivkin, affirmative leader, was highest ranking speaker in the Iowa Nine Debate Tournament. This is the second successive year that D. H. S. has won that honor, Donald Krambeck, 1936 negative leader, having won it last year.

VOCAL MUSIC

This year the vocal section of the music department planned and carried out a program unusual to high schools. In the latter part of May, under the direction of Miss Clara Thomas, Handel's oratorio "The Messiah" was presented in the school gym. Over three hundred voices were used in this production. They were accompanied by the High School Orchestra and a Hammond electric organ.

Davenport High School was fortunate in possessing a number of unusually fine singers who took the solo parts. Among these were Helen Mackenzie, soprano; Janet Heim, mezzo-soprano; Vera Schindler, contralto; Flora West, contralto; Stephen McShane, baritone; and Louie Maurer, bass. Kenneth Gfeller, tenor, was the guest soloist. He is a popular radio singer of Davenport.

On the afternoon of December 18, 1936, the entire student body of Davenport High School enjoyed a program of Christmas music presented by the various choral groups. A few numbers were "Lovely Appear," sung by the Mixed Chorus, "A Child is Born in Bethlehem" sung by the Boys' Glee Club, "Night Before Christmas" sung by the Girls' Glee Club, and "The Shepherd's Story," presented by the A Cappella Chorus. After a Christmas tableau, the program ended with the whole high school singing "Silent Night."

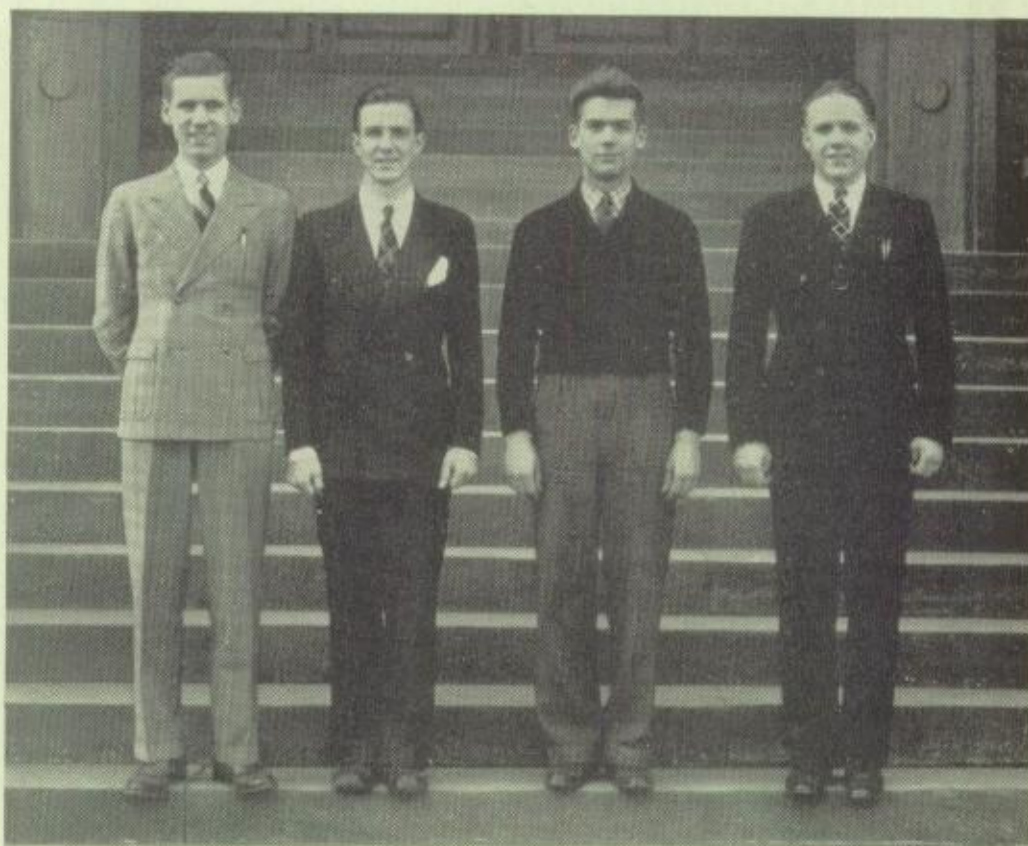

Throughout the year our choruses, glee clubs, and quartettes have appeared on a number of programs outside of school. The Girls' Glee Club and the A Cappella Chorus sang before the Business and Professional Women's Club, the National Commercial Teachers' Association, Rotary, and Kiwanis. They were also part of a Sunday afternoon concert at D. H. S., held on May 2, and they sang at each of the three intermediate schools.

Some appearances called for a smaller group than the large, more unwieldy choruses, so Miss Thomas chose a small number for the informal semi-chorus. The semi-chorus sang for an A. A. U. W. meeting at Augustana College, for a meeting of Business and Professional Women, and at the Sunday afternoon concert at the high school.

The First Quartette sang at the Davenport Woman's Club, at the Rotary Club, at Edward's Congregational Church, at the Calvary Baptist Church, and on a program for the Veterans of Foreign

INSTRUMENTAL MUSIC

Every living person thrills to a lively band and instinctively likes rhythmic motion, color, precision, brilliance, and stirring music. The Davenport High Band of eighty pieces has made the school proud this year by "playing up" to all of these qualities.

At the football and basketball games it has faithfully represented the school. On October 23, the athletic department financed a trip to the Clinton football game.

Several concerts and broadcasts were given. The concerts, November 1, 1936, January 17, and April 4, 1937, were on Sunday afternoons in the auditorium. The organization also appeared in concert April 30 on the stage of the Capitol Theatre. The broadcasts were November 6, 1936, over WOC

January 27 over WOC, and a number of fifteen minute programs broadcast during band period over WHBF.

With the cooperation of the Band Mothers' Club, the Band acquired the attractive red and blue uniforms, which received their first "spots" in the Homecoming parade of October 30. The Band led the R. O. T. C. units to Vander Veer Park for drills on several occasions, and it also took part in the Armistice Day Parade, November 11, 1936.

A Vodvil Show was sponsored by the Band on February 8, to help pay for its contest trips during the year. This is the second year for this popular show.

To be a member of the Band, one is now required to pass perfectly an entrance test. To retain membership a minimum of six hours practice per week is necessary. Those who expect to play in contest Band must pass all contest material at least ninety per cent perfectly.

On April 9, which happened to be Mr. Mortiboy's birthday, the Band travelled to the district contest at Washington on a special train accompanied by Mr. Naumann, Miss Soehren, Mr. Young, and a number of band mothers. There, playing "Colonel Bogey" by Alford, and Overture to "Phedre" by Massenet, it gave Mr. Mortiboy his most valuable birthday present, a superior rating, which entitled it to participate in the state finals at Iowa City.

Mr. Mortiboy is ably assisted by Mr. B. G. Schaefer and Mr. T. C. Collins who is a faculty newcomer this year. The instrumental music teachers insure that the high quality of the Band and Orchestra will be maintained by teaching instrumental music in the intermediate schools of the city.

Following the custom of the past two years, Mr. Mortiboy is giving the members of the Band the opportunity for summer band and orchestra training this vacation.

THE BAND MOTHERS

The band mothers were invaluable to the Band and Orchestra in all their undertakings. It was through their work that the organizations were able to attend the various contests throughout the state, and be attired in their flashy new uniforms. The Band Mothers' Club sponsored various social events and an extensive drive to make enough money to uphold the traditions of D. H. S. by having a fine appearing Band and Orchestra.

SOLOS

Davenport was fortunate this year in being able to send quite a few soloists to contests. The following ten were chosen from the best players in Band and Orchestra to play at the sub-district contest at Tipton: Bill Henigbaum, violin; Bob Milversted, clarinet; Carl Paarmann, bassoon; Dorothy Milversted, cornet; Betty Pyle, French horn; Dorothy Bentzinger, baritone-euphonium; James Bruns, trombone; Bob Armil, sousaphone; Charles Stainbrook, snare drum; Doris Gray, piano.

From this group several had the opportunity to go on to the district contest at Washington, Iowa. They were Bill Henigbaum, Bob Milversted, Carl Paarmann, Dorothy Milversted, and Doris Gray.

Bill Henigbaum, Bob Milversted, and Doris Gray entered into state-competition at Iowa City.

Doris Gray and Mary Ann Milligan played all the piano accompaniments.

During the past year the Normal Club has carried on some very successful activities. Talks given by Miss Soehren, Mr. Young, and Mr. Banze, County Superintendent of Schools, were featured at three of the bi-weekly meetings. A play written by Marian Hansen, entitled "Sisterly Love," which was given at the Amateur Show, was presented by the girls at another meeting. There were also interesting excursions through the Sunlight Creamery and the Cheese and Macaroni Factory.

Initiation for girls joining during the fall semester was in the form of a wiener roast at Fejervary Park. Girls who became members in the spring semester were initiated at a George Washington party held at the new Y. W. C. A. In addition, there were three other parties, a Hallowe'en Party, a Christmas Party, and a farewell party given by the 12B's for the 12A's.

Normal Club membership is open to any girl pursuing the Normal course. Meetings are held on alternate Tuesdays at 3:45. Under the guidance and supervision of the Normal Adviser, Miss Elsie Wallace, the club has proved both entertaining and instructive to all girls who participate in its activities.

The Jane Addams Club meets in the Home Economics building on the first and third Thursdays of each month. The programs for 1936-1937 have been varied and interesting. They ranged from knitting lessons directed by Mrs. Leslie Goss, Miss Katherine Hoskins and Miss Florence Soller to an Easter Fashion Tea; from a debate on 'Should Our High School Girls Wear Uniforms' by Miss Wilson's 10A girls, to movies presented by Dr. Helen Hamilton, which consisted of pictures of Northwestern U. S. and Alaska.

Focal points of other meetings were talks given by Miss Nantz on Hull House, by Miss Eskelson on Pitcairn Island, and by Miss Rindone on "A Girl's Life in Italy." The girls of the Foods Department under the direction of Miss Haller gave a demonstration on bread making.

The last meeting of the year was a Big Sister party for the Jane Addams Club of J. B. Young, a fast growing, peppy organization of J. B. Young Intermediate School under the leadership of Catherine Downing.

"Le Cercle Francais" aims to give French students a greater opportunity to speak French and to hear it spoken. Programs consist of short plays, talks, games, and music.

During the fall semester Parisian life was studied, and during the spring semester provincial life. Mrs. I. A. Crump, who was born in France, gave a talk on French life. Miss Jeanne Crump reviewed her experiences in France. A pot-luck supper ended the fall activities, and a picnic closed the spring semester.

The club pin is in the shape of a miniature Eiffel Tower, bearing the words "Cercle Francais" and "D. H. S." with a small gold "D" attached by a chain.

Comitium Romanum centered its program for the fall semester about the construction and furnishing of a replica of a Roman house. Boys of the club built the house, and various members helped to equip it. Wood, soap, and modeling clay were used to fashion couches, tables, altars, and lamps. The pools in the atrium and peristyle were of mirror. Velvet hangings shut off the rooms surrounding the atrium. The shops before the house were complete even to miniature vegetables, fruits, and bread. When the house was finished, several programs were devoted to explanation of how it was constructed, and to descriptions of the lives of its inhabitants.

Programs for the spring semester featured travel talks on important Italian cities. Each program was presented in the form of a radio broadcast.

This year for the first time honor awards were given to students in recognition of scholarship, interest, and participation in club activities. The awards are gold pins in the design of the Roman fasces. The regular Comitium Romanum pin is a miniature Roman lamp in gold with a "D" guard.

The very popular Girls' Athletic Association has over 80 members. G. A. A. awards are much coveted, and are earned through the point system. 500 points entitle a girl to a plain letter "D," for 1000 points she wins a state G. A. A. pin, and 1750 points entitle her to a "D" with three stripes on it.

The club sponsors all interclass tournaments, and buys the trophies. During the past year 600 or more girls participated in interclass competition.

Club meetings are held twice a month, and several social parties are scheduled throughout the year. This year a number of G. A. A. members attended High School Play Days at Cedar Rapids and Dubuque.

The Girls' Rifle Club has been more popular this year than ever before. The increased enrollment necessitated a division of the club, and now on Wednesdays, as well as Thursdays, a group shoots at the Rifle Range under the Gym. The big event of the year is, of course, the winning of the "D's." Tryouts for the letters began April 7. To be awarded the coveted "D" with the crossed rifles, a girl must shoot a score of 260 out of a possible 300. As this book goes to press, the names of the winners have not yet been announced.

The R. O. T. C. Service Club was founded in 1936 by a group of R. O. T. C. boys who were interested in giving their services to Davenport High School in any manner which would assist with the activities program.

It has been a voluntary organization not directly connected with the R. O. T. C., but under its supervision, in that only R. O. T. C. members in good standing, and having passing grades in at least three subjects, may be active.

The group ushers, sells, and takes tickets at programs; ushers and does guard duty at football, basketball and wrestling events; and sells tickets, ushers and performs guard duty at school dances. The club has also taken charge of a checkroom in the gymnasium, the proceeds of which are deposited in the general activities fund of the high school. Officers of the day have charge of all members when on duty and are elected by the members themselves previous to the day of the event. All members are under military discipline while on duty, and infractions of the rules are settled by club court martial procedure.

The R. O. T. C. Service Club entered a float in the home-coming parade last fall and won first prize in the "most unique entry" classification.

"Service to our school" is the club motto, and the phrase fits them well.

Bee Club members, under the leadership of Mr. Hitchings, spent a great deal of their time early in the spring in making Bee Veils. They had an observation hive, glass-enclosed, in the biology room.

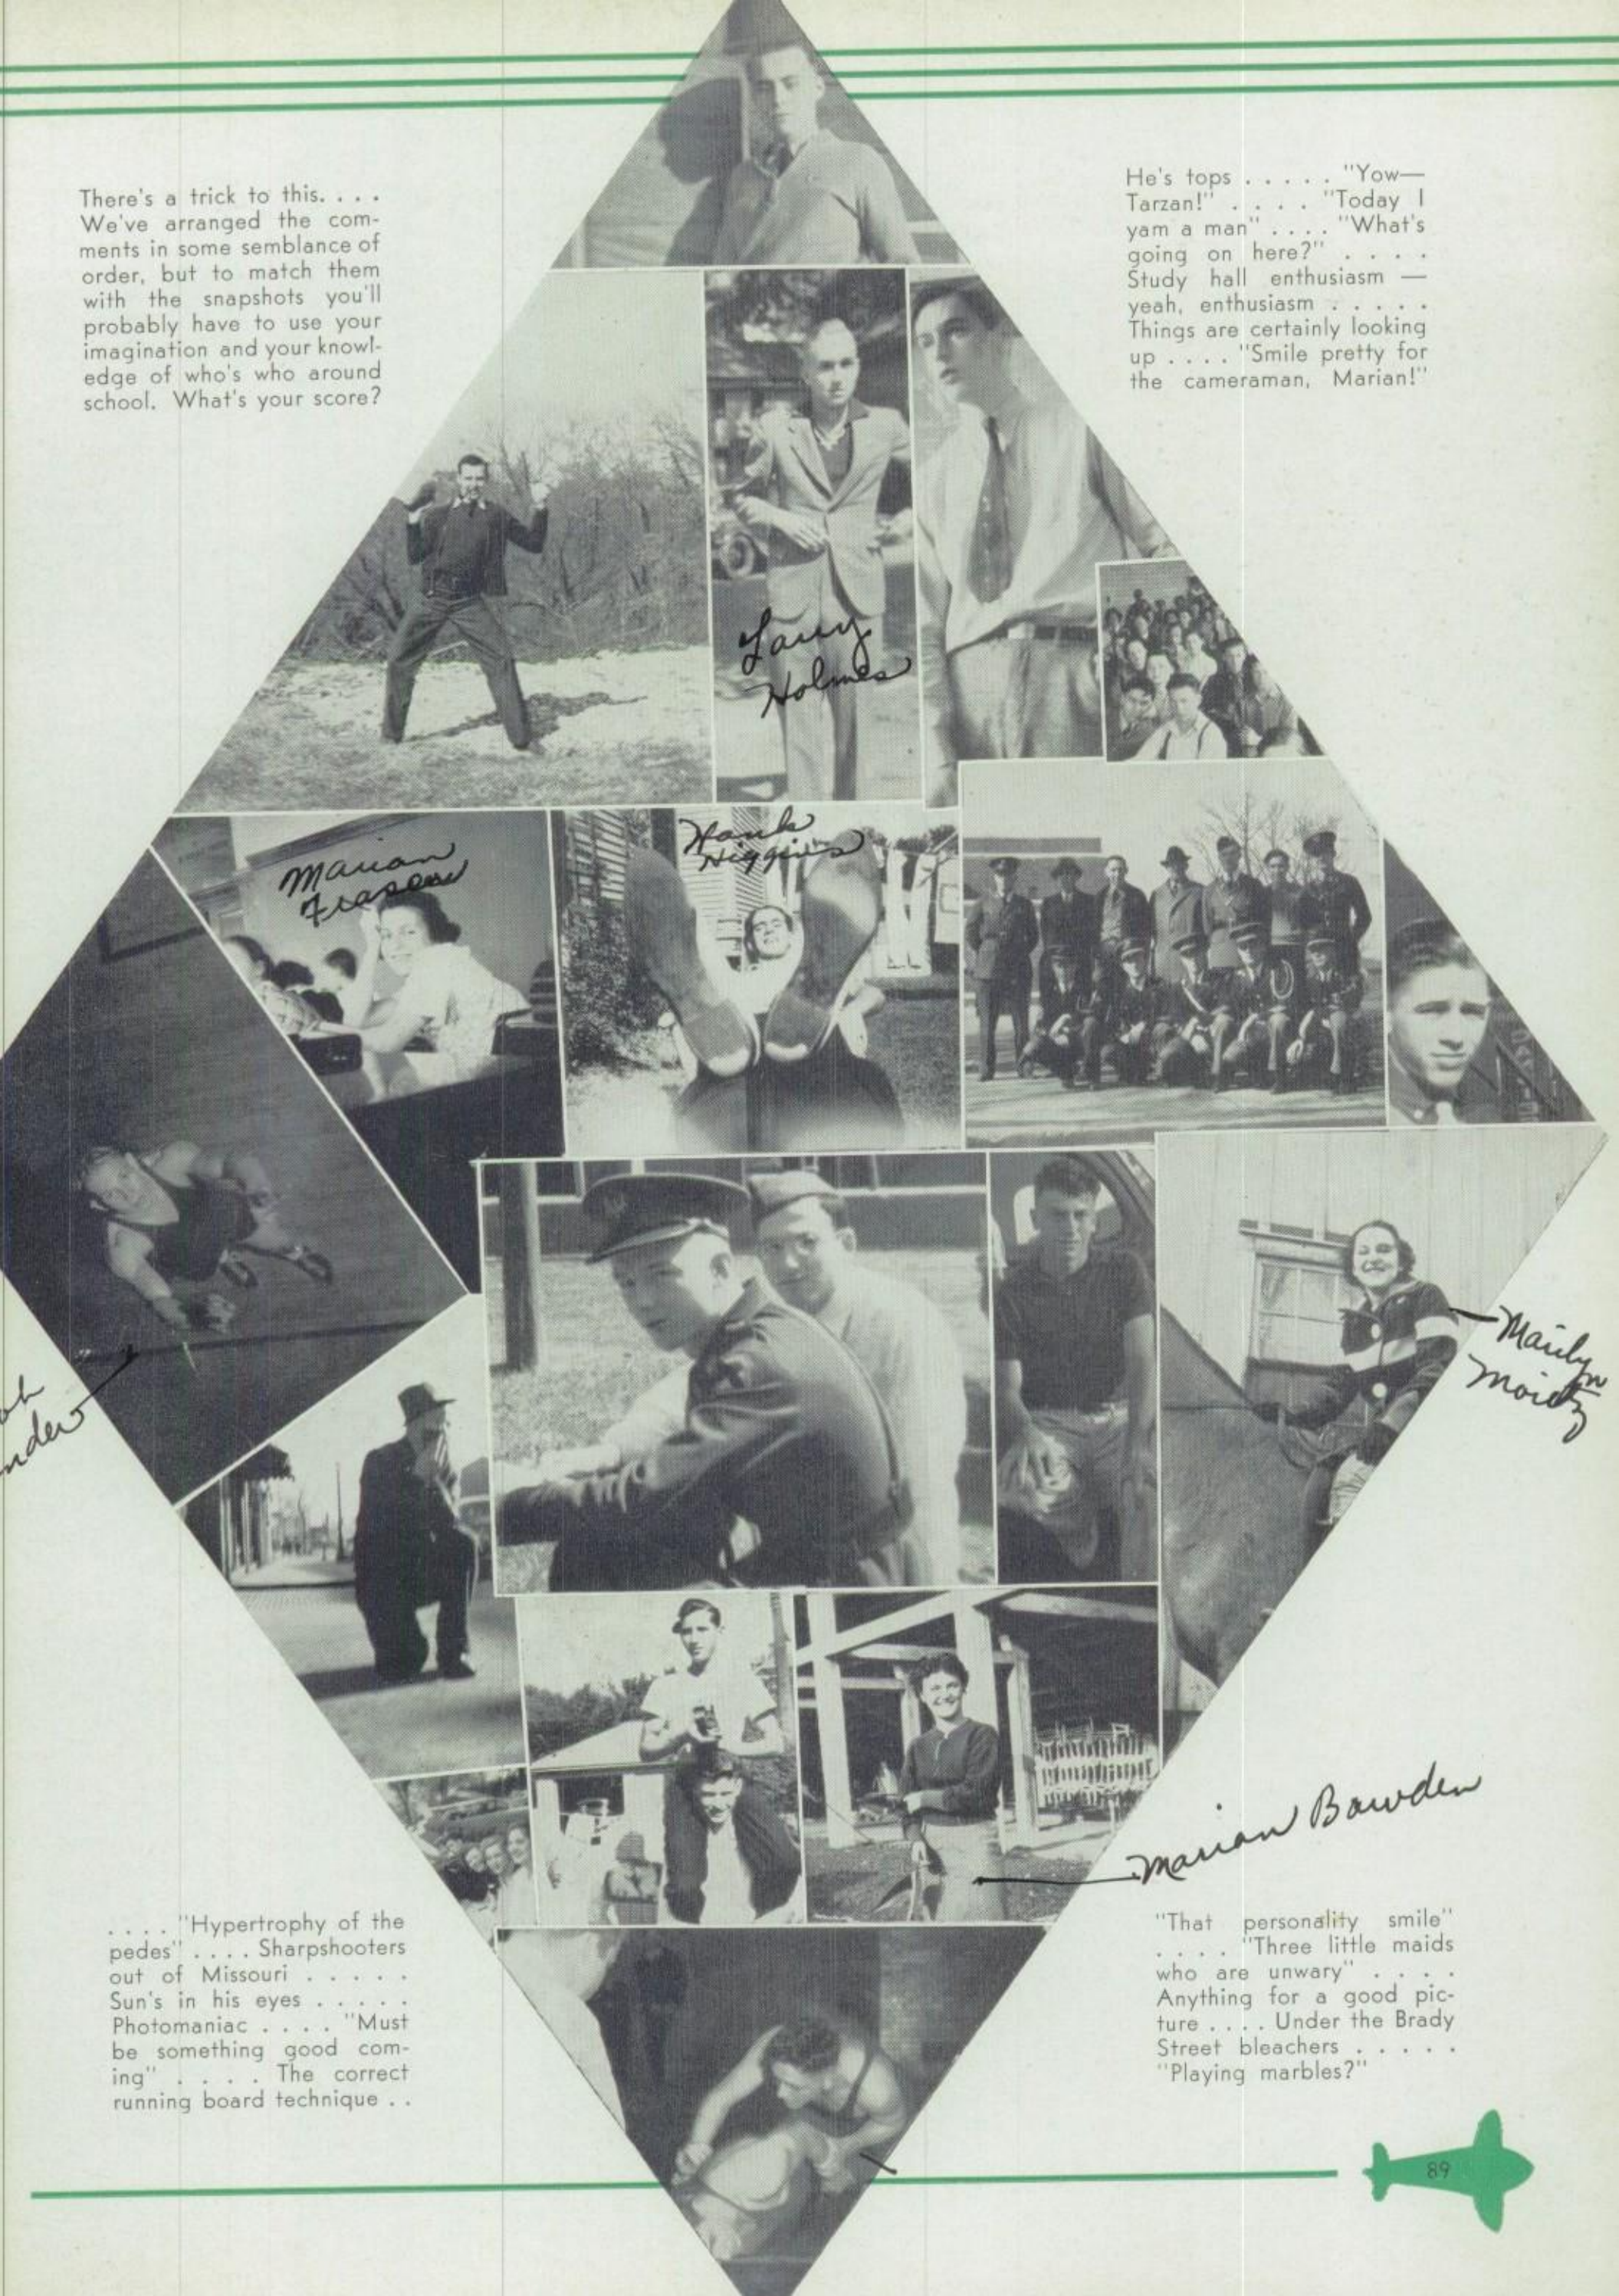

The club entered a float in the Homecoming parade last fall and won fourth prize.

Mr. Hitchings was also adviser to the Skating Club.

MANUAL ARTS AND ART

A yearbook should present a cross-section of school life, so this book would not be complete without including work of the Industrial Arts Building. Any number of pictures might have been selected as representative of its work—the forge and foundry, carpentry, printing, drafting—but the tables and lamps of this picture were chosen because they represent a new type of manual training. They show the possibility of combining wood and metal. There is no other high school in the United States, or perhaps in the world, that presents this course. Indeed, even commercial manufacturers do not make articles that combine the modern finishes of chromium and nickel with polished wood Work with pewter and combinations of metal and cork were introduced in the metal craft class of the art department this year. Some of the interesting projects of this course are shown below.

With the loss of the entire line and two backs by graduation, the Blue Devils were seriously handicapped and conceded little chance with their inexperienced team, but they took second place in the Quad City race, and finished the season winning four, losing four, and tying one.

In the selection of the All-State teams, Davenport was honored by having two players named. Edward Schneider was awarded a position of guard on the mythical third team, while Warren Junge was given honorable mention as a fullback.

An added attraction of the grid season was the playing of three games under the arcs of the Municipal Stadium.

Ottumwa

Coach Day's Blue Devils opened the grid season by walloping Ottumwa's Bulldogs to the tune of 32 to 0. Frequent substitutions were the only factors that kept the score from mounting even higher. The locals featured the game with long runs, brilliant line drives, and long forward passes. Touchdowns were scored by Griffin, Winter, Mahoney, Schlueter, and Chrysler, while Lucier and Pitts added the extra points.

Dubuque

In the first night game of the season more than 2,000 fans watched the Blue Devils score a last minute touchdown that knotted the score at six all, never to be broken. Hamann saved the game when he grabbed Winter's partially blocked pass on the five yard line. Loomis then smashed through the powerful Key City forward for a touchdown.

Evanston

On October 3, the team met its first defeat at the hands of the powerful United High football team of Evanston. Davenport's lone score was made in the first quarter when Chrysler connected with Pitt's aerial heave on the five yard strip and crossed the goal line.

East Moline

On a muddy battlefield a revised hilltop squad met East Moline in the initial game of the Quad City conference competition. Winter and Griffin scored touchdowns for the locals while Lucier made good two place kicks for extra points.

Moline

On October 16, a strong Moline team swept through Davenport, downing a stubborn Blue Devil eleven by a score of 19 to 6. The Moline defense completely baffled the local backs until late in the final period when Loomis almost single handed led an attack that was climaxed with a touchdown. The light rain that fell before game time failed to stop the brilliant Plow City backs, but made footing slippery enough to halt the aerial attack of both teams.

Clinton

Playing on a muddy field, the Blue Devils were overpowered by a speedy opposing team. The tight Clinton defense prevented the hilltoppers from penetrating far into the hosts' territory.

Maplewood

In the homecoming game Coach Day's gridders gained revenge for the Maplewood defeat of 1935 by trimming the Leafs 14 to 0 at the Brady Street Athletic Field. From start to finish the locals

completely outclassed the Missourians. The powerful Davenport line continually opened large holes in the invaders' forward wall. Lucier and Bender scored the Blue Devil touchdowns, while Lucier added the extra points with a pair of place kicks.

East Des Moines

Playing on a soggy field and numb from the cold weather, the Blue Devils' plan of attack failed to function as a light shifty East Des Moines team pushed over a line touchdown on their own field to win by a 6 to 0 decision.

Rock Island

The Davenport gridders ended the '36 season by upsetting Rock Island's Crimson grid warriors with a 13 to 12 score in a thrilling turkey day tilt on the latter's lot. Davenport took a 13 to 0 lead but saw the advantage dwindle in the second half when the Illinois team scored two touchdowns. Winter and Loomis went over the cherished line for the Davenporters while Lucier converted the deciding point of the game.

The 1936 football season passed into history at the annual football banquet in the D. H. S. cafeteria December 17, when Leonard Lucier was elected to succeed Walter Beckmann as captain of the Red and Blue. Afterwards the group were guests of the Orpheum Theatre.

Major letter winners for the season were: W. Beckmann, Alderdice, R. Beckmann, Bender, Bridge, Chrysler, Griffin, Hamann, Harmon, Hoenscheid, Junge, Kennefick, Knouse, Koester, Langan, Loomis, Lucier, Mahoney, Maas, Meier, Pitts, Schneider, Winter, and Bronner.

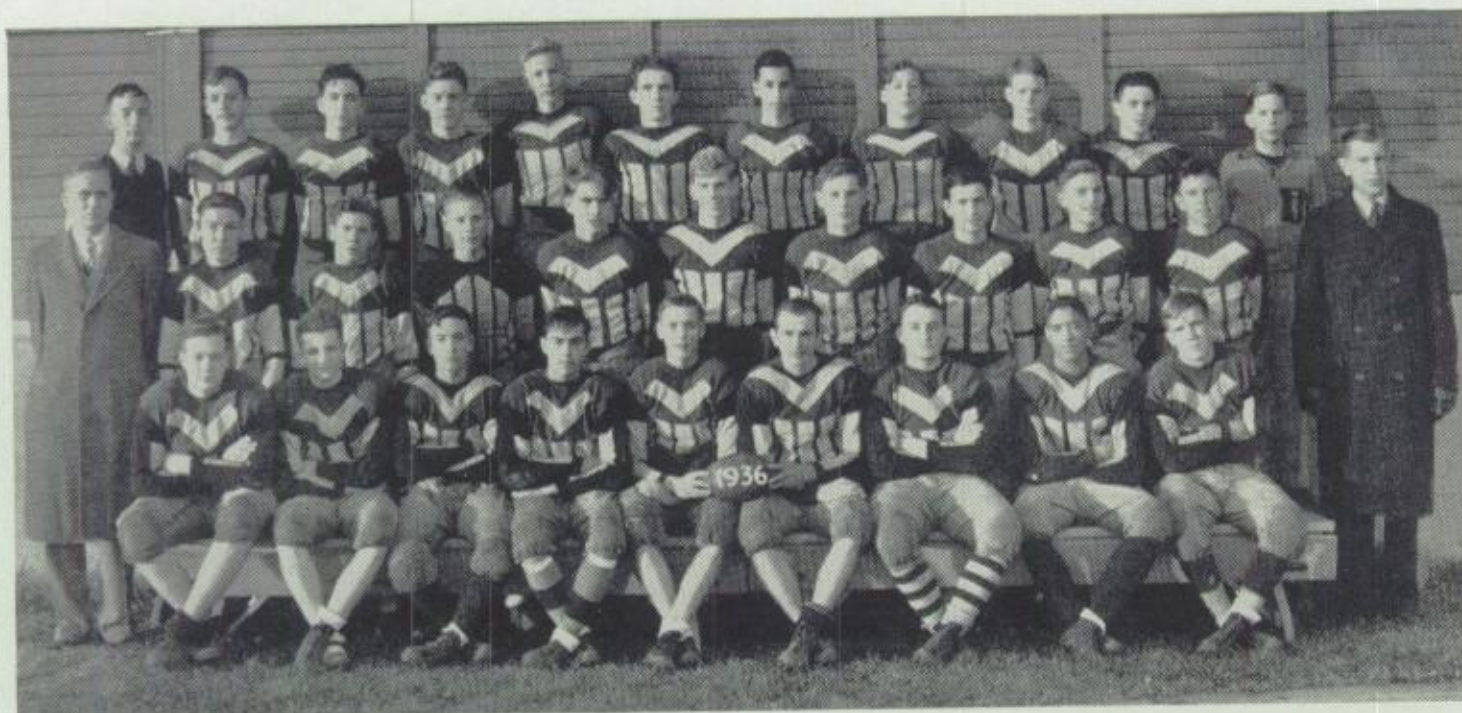

Reserve letter winners were: Bedeian, Daniel, Howard, Huss, Johnson, Keller, N. Kruse, C. Kruse, Morris, Packard, Phillip, Schlapkohl, Stoker, Wilson, Welchman.

A trainer's letter was awarded to Hubert Crow.

Iowa City

The Blue Devils opened the season by downing a rangy Iowa City quintet in a thrilling overtime tilt by a 20-18 score. Siegel's field goal, with but 20 seconds of play remaining, tied the score, and Mahoney's basket gave the Davenporters the decision.

East Moline

In a nip and tuck affair, with the score tied six times during the last half, Davenport won the first game of Quad City competition by a 27-24 score from East Moline. Goals by Dohse, Daurer, and Winter in the last quarter won the game.

Clinton

The Red and Blue had little trouble overshadowing Clinton's River Kings by a 31-18 score. Frequent substitutions on the part of Coach Moon were the only factor that kept the score from mounting even higher.

Mason City

With accurate shooting and fast floor work the Blue Devils completely outplayed Mason City in winning the 25-16 encounter. Siegel, Winter, and Daurer led the scoring with 7 points apiece.

Waterloo

'Twas the night before Christmas Eve when the Blue Devils met their Waterloo at the hands of a strong West Waterloo quintet by a 28-15 count. This loss was the first in five starts of the season. Lucier's play was outstanding for Davenport.

Moline

Davenport's Blue Devils suffered a severe jolt New Year's Eve as a speedy Moline team ushered out the old year as well as Davenport when they romped through a bewildered Red and Blue quint with a 43-16 score. This win was the first for the Maroons over Davenport in seven starts.

Rock Island

Rock Island continued to humiliate the Blue Devils as they gained a 36-24 victory. A dazzling third quarter, in which the Islanders counted 16 points, sank the Davenport hopes. Hamann's playing was our only bright spot.

Dubuque

With Captain Daurer on the injured list, Bob Hamann and Lucier provided the necessary punch that ended a three game losing streak as they collected 9 and 8 points respectively in a 30-15 win over the Key City five. An almost air tight defense held the up-river team to one field goal in the first quarter and 6 points, the most in any quarter, came in the second period.

Iowa City

After getting off to a fast start, the Blue Devils were unable to continue the hot pace and slipped behind in a thrilling battle that saw the lead change time after time and finally fall to Iowa City with a 24-21 score. Lucier paced the Davenport attack with 8 points. This was the first victory for them in eight years, and especially sweet because Coach Merton is a former Davenport High athlete.

Burlington

The Blue Devils lost to a fine team as the Burlington Greyhounds, the lads of the flashy suits, grabbed an early lead and protected it throughout the encounter, winning 37 to 28. Hamann's 8 points looked best for the Red and Blue.

East Moline

The tight defense of the Blue Devils helped to gain a 33 to 24 decision over the East Moline team. Captain Daurer, with 10 points, paced the Davenport team.

Mason City

Again, with a perfect working defense, the Blue Devils got off to an early start and had little trouble keeping in front throughout the contest. Hamann and Siegel each contributed 10 points to lead the scoring.

Burlington

A powerful Davenport team easily downed a graduation-stricken Burlington quintet by a one sided 40 to 26 margin. The play of the two guards, Griffin and Dohse, was outstanding.

St. Ambrose

In a game with the referees calling fouls close throughout the contest, the Blue Devils won from St. Ambrose Academy by a 26 to 20 count. Hamann played his last game for Davenport High. Siegel was chief scorer again as he accounted for 16 of Davenport's points.

Dubuque

After trailing for three quarters, the Blue Devils put on a spirited rally, netting eleven points in the final period to cinch the struggle with Dubuque. It was Dohse who was responsible for the Blue Devil's sensational rally, driving through for three goals and a free throw in the last few minutes of the game.

Wilson High

In a wild scoring spree the Blue Devils met little resistance from Wilson High of Cedar Rapids as they massed a total of 48 points against their opponents' 15. Siegel with 20 and Mahoney with 10 points scored twice as much as the Cedar Rapids aggregation could tack up during the entire thirty-two minutes.

Roosevelt High

Going into the game, conceded but a slight chance in upsetting the loop leading Roosevelt five, the Blue Devils played one of their best games. Throughout the contest neither team led by more than one basket, the score being tied eleven times. The regular game ended 18-18. The first overtime period ended 20-20, and the second overtime 24-22 as Griffin and Dohse dropped in the winning goals.

Rock Island

Coach Moon's Blue Devils avenged an earlier defeat by downing the Islanders by a 36-23 count. The Red and Blue displayed remarkable ability at the free throw line as they dropped in 16 out of a possible 19. Lucier led the scoring with 11 points.

Clinton

In a thrilling battle Siegel swished the net in the closing seconds of play to give the Blue Devils an 18-16 win over Clinton. Siegel and Lucier paced the Davenport team in scoring with 7 and 6 points respectively.

Moline

The Moline boys handed the Blue Devils their first defeat on the home floor since 1935 and also broke a nine game winning streak when they piled up 17 points in the opening period, winning by a score of 29-20.

St. Ambrose

The Red and Blue men ended their regular schedule by demonstrating their superiority over St. Ambrose Academy in a 26-13 win. Daurer led the scoring with his 11 points.

SECTIONAL TOURNAMENT

In the first game of sectional play the Blue Devils had a narrow escape as they outscored Clinton 27-25. Siegel chalked up 13 points in this free throwing contest in which thirty-four personal fouls were called.

After defeating Clinton, the Blue Devils had little trouble disposing of Lyons as Siegel tacked up five field goals to lead the scoring. Lucier scored 9 points. At the sound of the timer's gun the Red and Blue were ahead by a 33-16 score. Beckmann's sensational scoring of three successive goals was the high point of the game.

Davenport won their ninth successive sectional championship and earned the right to participate in the district tournament when they eliminated De Witt by a 28-20 score. Mahoney's passing and all around play stood out from an otherwise tired and listless Davenport performance.

DISTRICT TOURNAMENT

In the first round of the District Tournament the Blue Devils won a thrilling overtime battle from a powerful Muscatine quintet as Bender tied the score in the closing moments of play, and then came back to win the game with a field goal in the extra period. Griffin's playing was without doubt the best game of his career.

Led by sharpshooting Siegel who scored 20 points, Davenport finally came from behind late in the third period to take a one point lead. In the final period Dohse and Siegel dropped in four baskets in rapid succession to cinch the victory from West Liberty by a 37-31 score.

The Blue Devils added another district championship as they put on a final period drive, scoring 11 points, to insure them a 35 to 25 win over Monticello. Mahoney's four goals in the last quarter rally put the game in the bag.

STATE FINALS

In the most thrilling game of the opening round of the tournament Davenport lost an overtime game to Newton. With only three seconds to play Newton made a free throw tying the score 29-29. In the breath taking overtime period Newton went on to win 33-30. Again the all around playing of Dohse and Siegel stood out for Davenport.

Davenport was sectional champion for the ninth straight time and won the district title for the seventh time in the last nine years.

Victor Siegel was honored by being placed as forward on the second All-State team selected by the Iowa Daily Press Association. Both Captain Lloyd Daurer and Kenneth Dohse received honorable mention for their superior playing throughout a long and successful season.

At a meeting of the Iowa High School Coaches Association in Des Moines Coach Paul C. Moon was elected president for the ensuing year.

Varsity letters were awarded to Captain Daurer, Griffin, Lybarger, Siegel, Winter, Beckmann, Bender, Dohse, Hamann, Jensen, Lucier, Maas, Mahoney, and Meier.

Reserve letters were given to Lorenzen, Miller, and Schmidt.

Hubert Crow received the student manager award for two years of service.

The season closed on April 6 with a banquet at the Colorado Cafe. Siegel and Dohse were elected co-captains for the 1937-1938 season.

The 1937 track season was opened with the Mississippi Valley Conference Indoor Meet held at the University field house at Iowa City on March 27. Conceded only an outside chance of copping the title, the Davenport High School squad swept over a fast field of competitors to capture the Mississippi Valley Conference indoor track title with 45 points, ten more than Clinton was able to garner. Captain Jack Alderdice and Bob Wilson led the Red and Blue parade as the Blue Devils grabbed first place in six of the twelve events on schedule. The winning mile relay team was composed of McCulley, Pitts, Keller, and Wilson.

The following week Davenport again went to Iowa City to participate in the State Indoor Meet. This time they placed second, having 37 points, to East High of Des Moines with 44½ points. Clinton High was third with 33½ points. A total of 432 athletes representing 42 of the state's high schools entered the meet.

On April 9, Davenport was host to Muscatine in a cinder show at the Public Schools Stadium in which the superior Blue Devils handed the opposing team a crushing 203 to 67 defeat. Pitts led the individual scorers with 19 points. Alderdice, Meier, and Griffin tied for first place in the high jump. Alderdice and Wilson shared first honors in the broad jump, and Griffin won the pole vault.

The annual Davenport Relays were held on April 17 with seven Class A schools and seven Class B schools taking part. Davenport emerged the victor, earning 55 points with Molino far behind with 37 points for second place in the Class A division. Tipton won the Class B meet with 31 points. Mayor Merle Wells and a University of Iowa coaching staff group, consisting of Irl Tubbs, Ernie Nevers, Pat Boland and "Dad" Schroeder, acted as honorary officials.

The Dubuque-Davenport varsity meet on April 24, resulted in a 119 to 103 win for the Blue Devils despite the loss of six of their aces, who journeyed to Des Moines to compete in the famous Drake Relays at which Davenport qualified as one of six teams to run in the finals.

Up to the present time Captain Alderdice, Pitts, Wilson, Keller, Pilgrim, Knouse, McCulley, Meier, Griffin, Lybarger, Bates, Swanson, Klindt, and Schricker have been the big point winners. However, there are many other boys who are getting the swing of this sport and should win points in the several remaining meets.

As the yearbook goes to press, only a few of the meets have been run off. There are still seven meets in which the varsity squad will compete and six for the sophomore squad.

Baseball was introduced into the athletic set-up this year and a tentative schedule planned for the spring with cities of Iowa and Illinois. Coach Merle Makeever is in charge.

. if you prefer **WRESTLING**

Among the wrestlers, coached by O. E. Johnson, Carl Garcia was the captain of the squad this year. For the 1938 season Eugene Warner was elected lightweight captain, and Walter Frost, heavy-weight captain.

Those who participated were Boyler, Brewer, Brandt, Bronner, Curley, Cutting, Easterbrook, Trost, Feeney, A. Garcia, C. Garcia, Gebelein, Harmon, Haut, Heidel, Murray, Pelo, Phillips, Powell, Pulde, Schneider, Sprague, Swingle, Smithiger, Warner, and Wolfram.

GOLF

Recognized for the first time as an official sport in the high school athletic setup, the D. H. S. golf team planned a full season, including an invitational tournament with more than 100 entries. Russell W. Bickford is coach of the team.

In the fall of 1936 the team won three out of four matches, defeating Rock Island twice and splitting two engagements with Clinton.

It is hoped that this spring meets may be scheduled with most of the schools in the Mississippi Valley Conference as well as Quad City schools.

Students who have competed in this sport are Jack Alderdice, Art Bedeian, Earl Blunk, Randolph Drish, Henry Finch, Charles H. Kruse, and Victor Siegel.

BOYS' INTRAMURAL SPORTS

During the past year over three hundred boys have participated in an extensive intramural sports program. Morning leagues of volley ball, basketball and apparatus were formed. Intramural wrestling and handball, a sport of growing popularity, were also offered. The Gymnastic Club, a group composed of squad leaders was organized this year.

"D's" are awarded to boys who earn eighty-five points during one semester or one hundred points a year. A forty-five minute period of activity constitutes one point. Students receiving their "D's" the first semester were A. Garcia, C. Garcia, Cutting, Trost, Gebelein, Heidel, Huss, Jobst, Judisch, Powell, Pulde, Smithiger, Warner, and Wolfram.

TENNIS

The tennis team of Davenport High School has also had a place on the calendar of sports events.

Last fall it had a short schedule, but one which was filled with a list of strong opponents. The team opened the season with a Quad City meet held at Riverside Park in Moline in which Rock Island placed first, Davenport second, Moline third, and East Moline fourth.

The Davenport boys played the Rock Island boys in two matches, the Islanders winning both encounters.

The Davenport girls met the Rock Island girls in two matches, tying one and losing one.

The spring of 1937 will see several interesting matches between the Quad City schools.

Students who competed are Robert Jensen, Robert Bates, Robert Milversted, Howard Kennedy, Janet Burmeister, Dorothy Milversted, Marian Bawden, and Marian Soenke.

Left to Right—Back Row: Robert Bates, Robert Jensen, Mr. O. E. Johnson, boys' coach, Howard Kennedy, Robert Milversted. Front Row: Miss Deone Gibson, girls' coach, Dorothy Milversted, Janet Burmeister, Marian Bawden, Marian Soenke.

GIRLS' INTRAMURAL

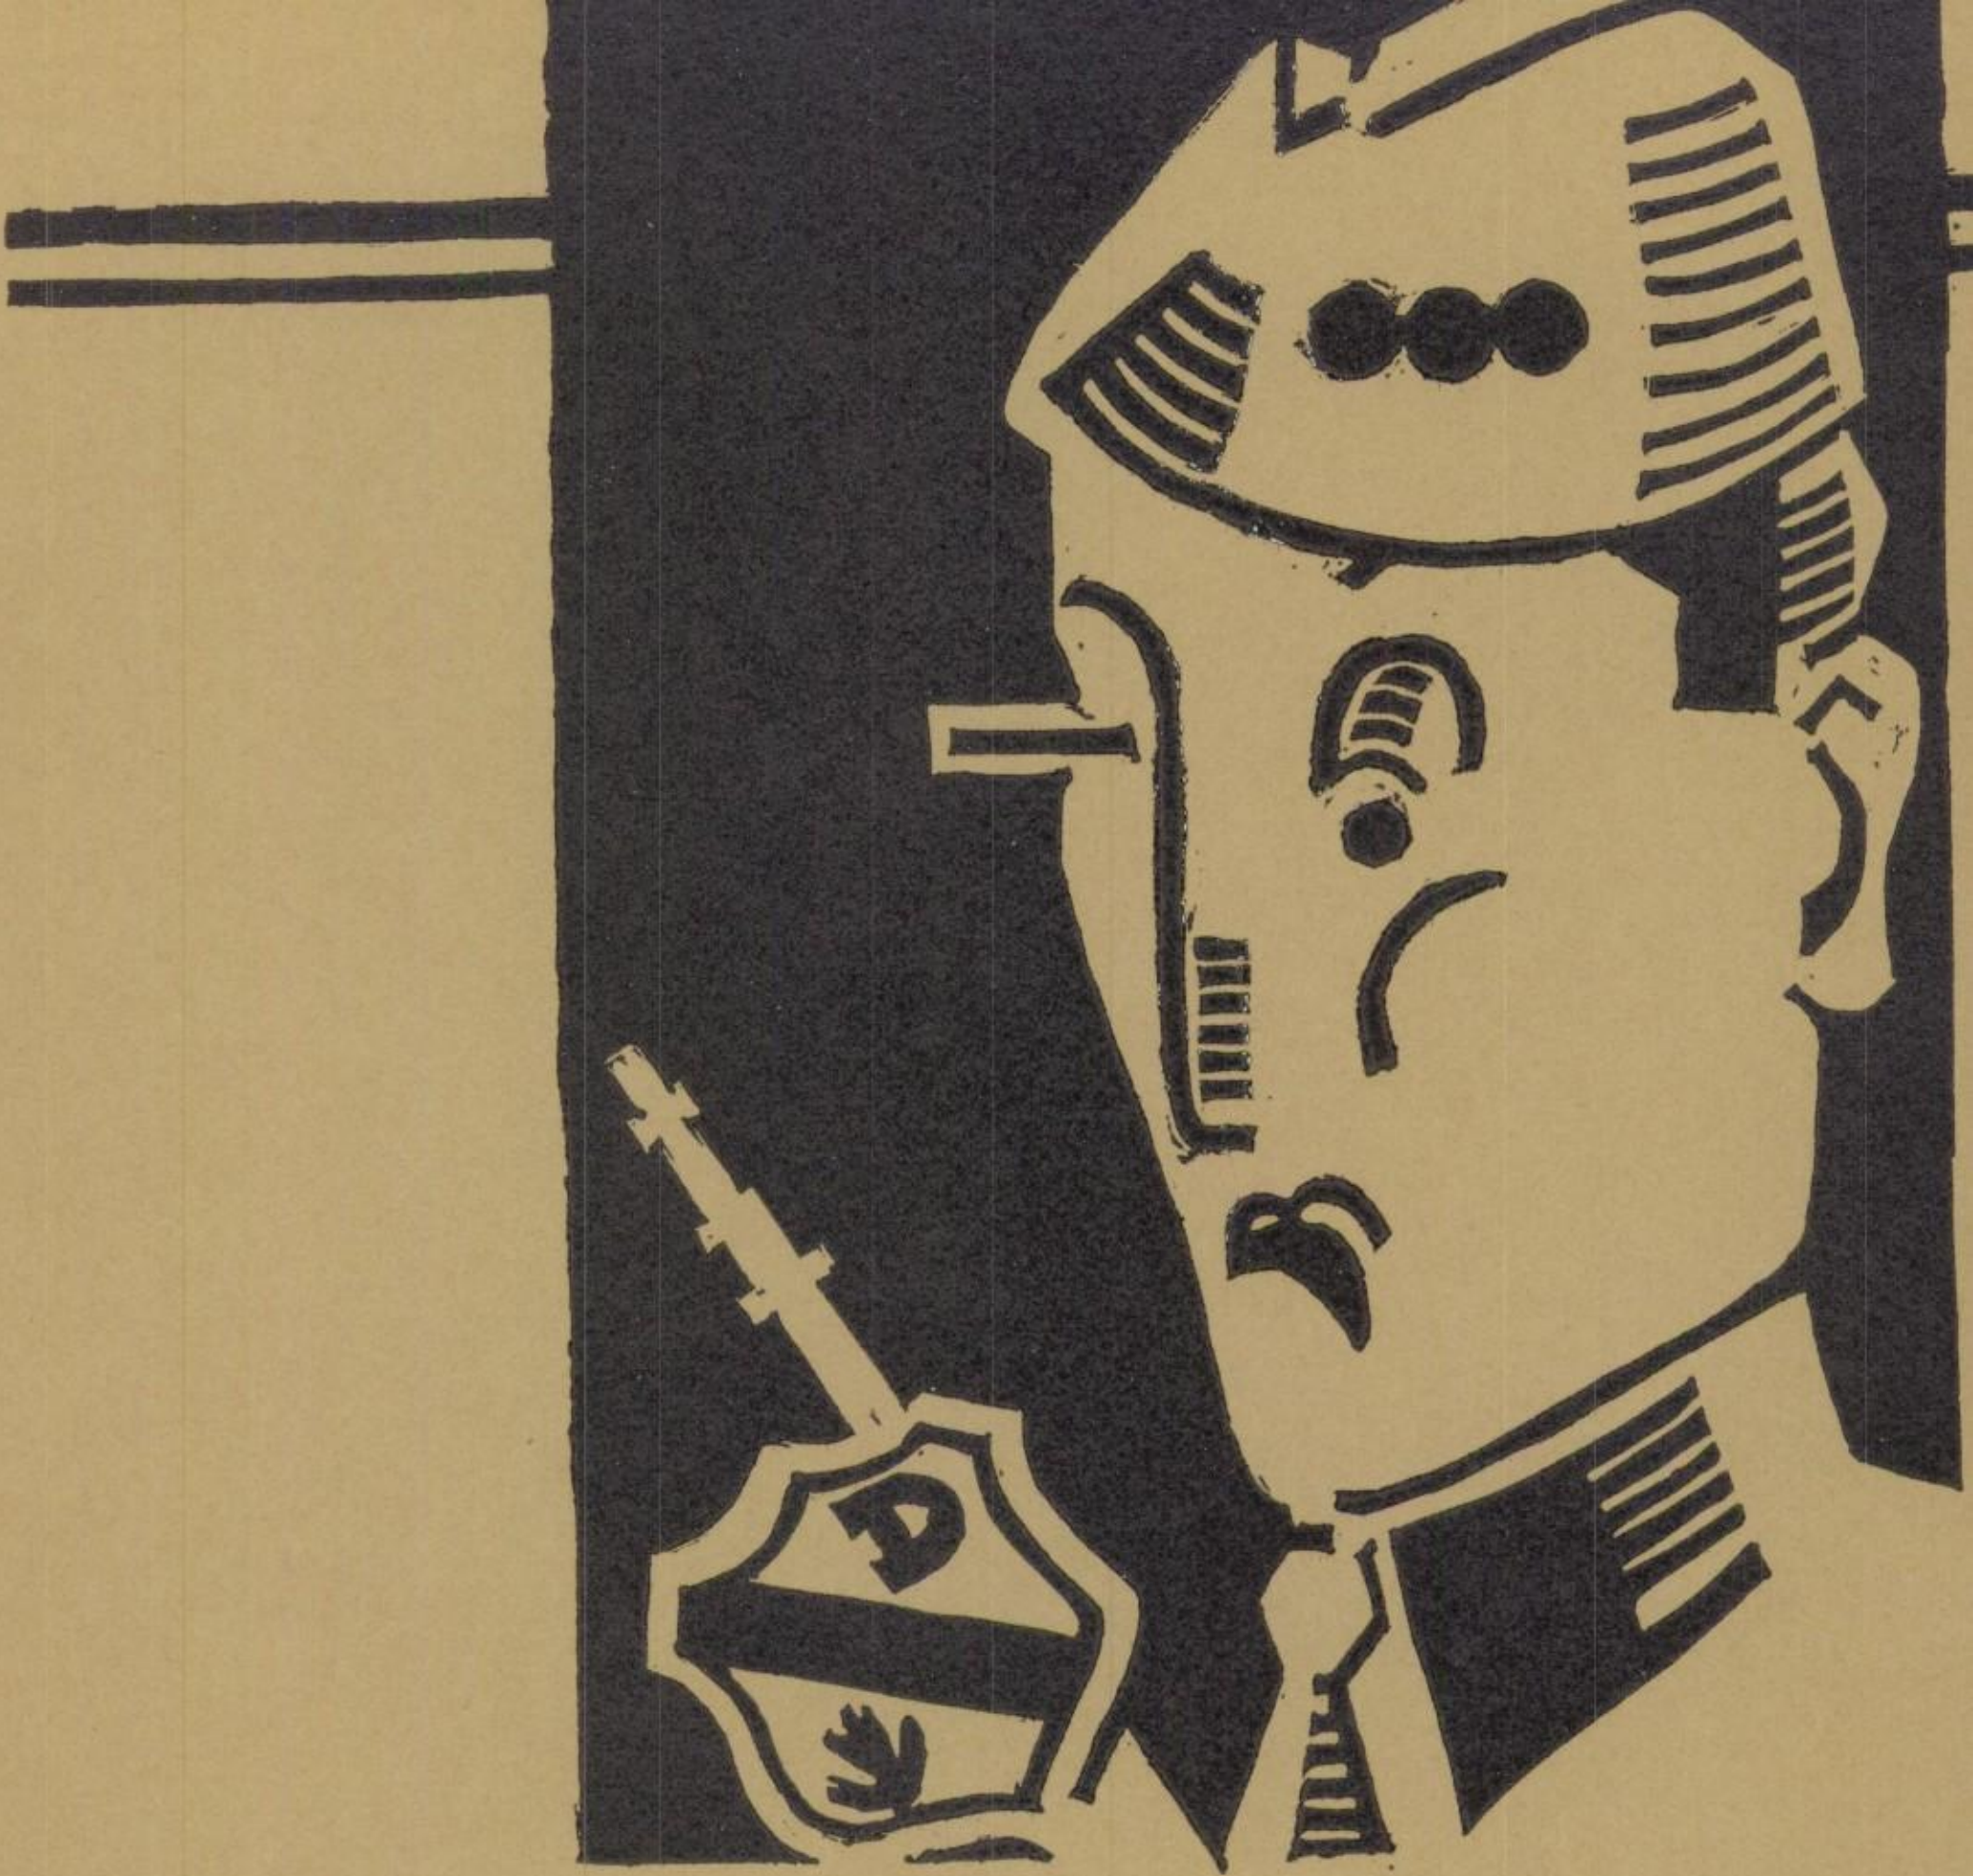

"Sports of all sorts for all sorts of sports"

The girls' athletic department presented an extensive intramural program under the leadership of Deone Gibson, girls' physical education instructor.

More sports were introduced and more girls took part in the contests than ever before. The interest was intense throughout the year. Competition was centered around basketball, volley ball, soccer, speedball, and baseball.

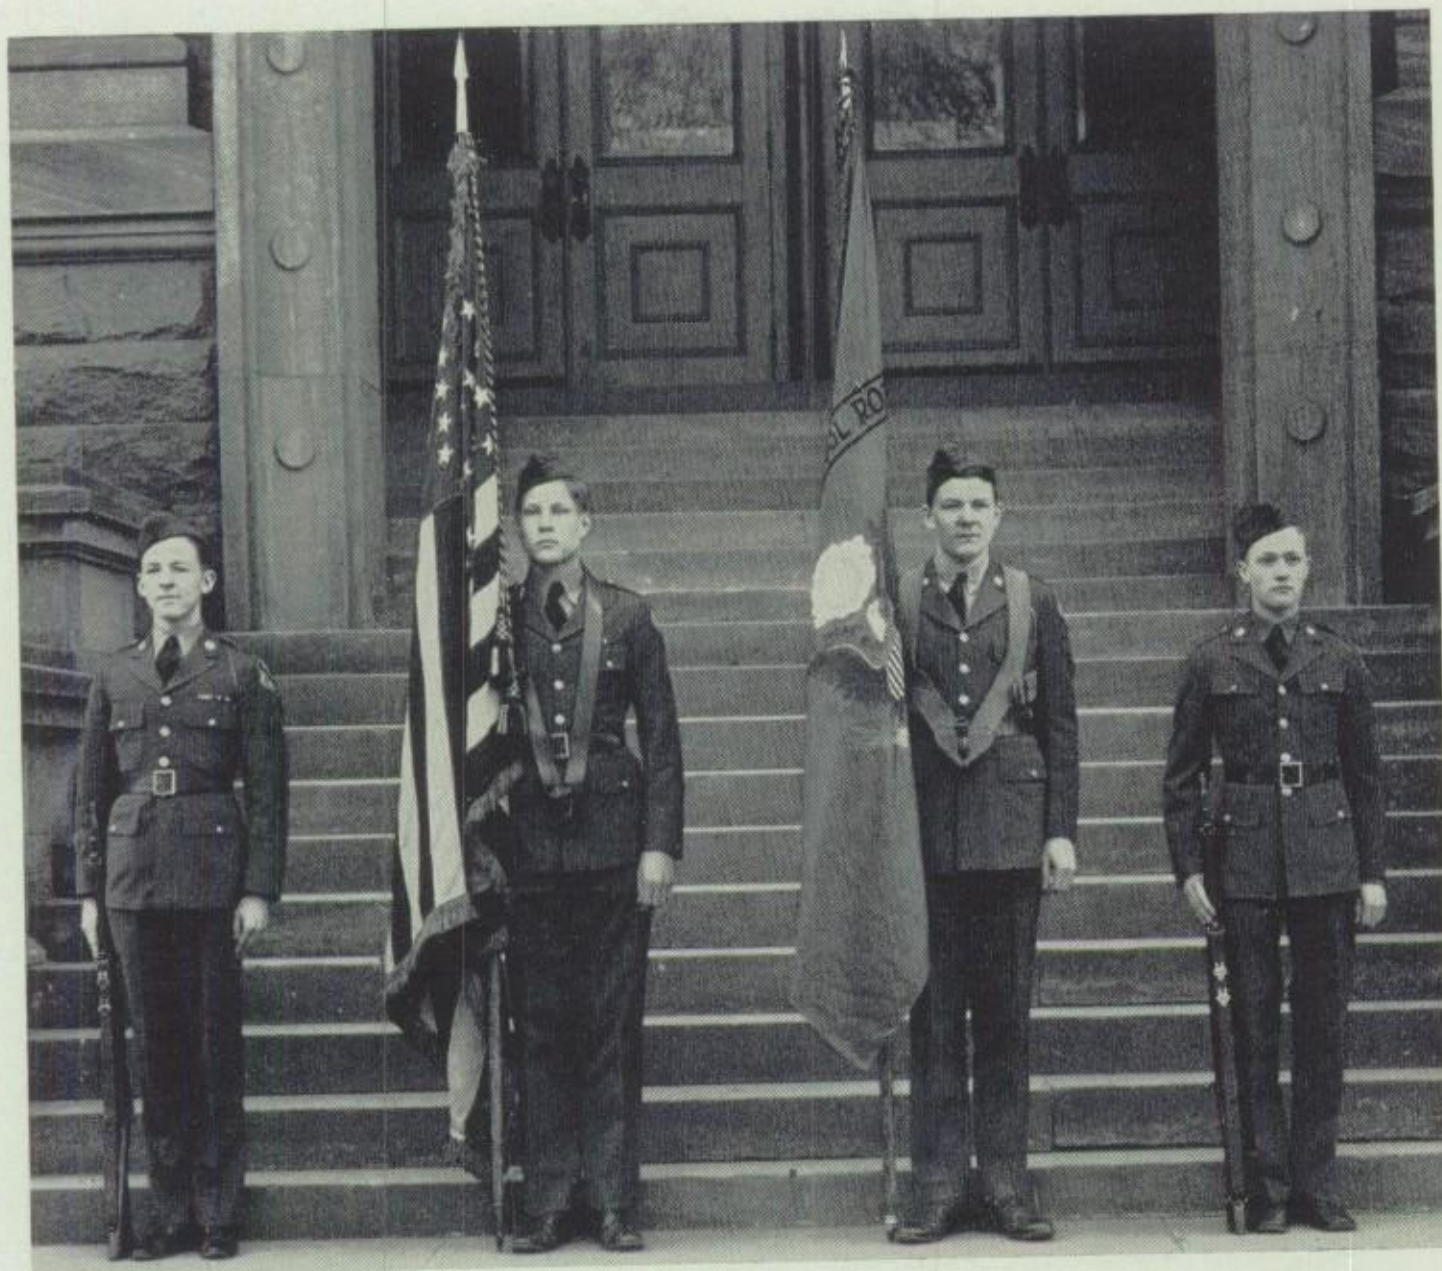

Attractive trophies were awarded the winning teams and medals to the individual members.

1. **SPEEDBALL** is a new and exciting sport introduced into the sports program for girls.
2. **TUMBLING** requires much skill, grace, and faithful practice to execute the difficult feats our high school girls do.
3. **SQUAD LEADERS** possess the admirable quality of leadership which is so necessary in athletics.
4. **BASKETBALL** has proved to be a popular sport among the high school girls.
5. **"RAGGEDY ANNS"** received much recognition for their clever tumbling acts. They won first prize at the Band's amateur show.
6. **G. A. A. OFFICERS** lead the Girls Athletic Association in the promotion of athletics for girls.
7. **ARCHERY CLUB** — with bow and arrow they compete in a popular sport which requires more than ordinary skill.

Washington; Schofield Barracks, Territory of Hawaii; and Madison Barracks, New York. His last assignment, prior to reporting here for duty, was that of organizing a Junior Reserve R. O. T. C. unit in each of two high schools in New York City.

Shortly after the opening of the new semester a series of examinations covering all phases of the R. O. T. C. training was given to all officers and noncommissioned officer candidates. Appointments from Colonel down to Corporal were based on these examinations and demonstrated ability. This policy of promotion on merit and ability has been strictly adhered to throughout the year.

The winter months were devoted to theoretical training for all classes. Lectures, quizzes, rifle range work, and comprehensive examinations filled the schedule.

During the fall and spring semesters, a series of colorful regimental reviews and parades were held in Vanderveer Park. This year the High School Band has played at all regimental formations, greatly adding to the colorfulness of the occasions. Parents and friends have been cordially invited to be present at these ceremonies.

According to custom the regiment, 500 strong, participated in the Armistice Day parade ceremonies held in Le Claire Park.

One of the big social events of the year was the Military Ball, given by the R. O. T. C. Friday evening, December 11, 1936. More than three hundred couples were in attendance at this gala occasion. High ranking army, Iowa State National Guard, and city officials were invited as guests of honor. Just before the grand march announcement was made of the selection by the unit of an

Honorary Colonel and two Honorary Majors from among the senior girls in high school. Miss Norma Mills was elected Honorary Colonel, and Miss Mavis McQuillen, and Miss Margaret Kuttler were the Honorary Majors. These young ladies, escorted by Cadet Colonel Hass and Cadet Majors Lagoni and Krauss, led the grand march. The Honorary Colonel and her two Majors were presented with attractive trophies donated by leading jewelers of the city.

Monday evening, March 8, 1937, Captain Sweany entertained the members of the Reserve Officers' Club at his home. Moving pictures of the life of a West Point Cadet, and the defense of the Hawaiian Islands, were shown by Captain Barth, U. S. Army Engineers, Rock Island Arsenal. In May, the Reserve Officers reciprocated with a dinner held at the Blackhawk Hotel. Captain and Mrs. Kenneth Sweany, and Sergeant and Mrs. David Barlow were the guests of honor.

On May 11, 1937, the annual federal inspection took place. The regiment was striving for an Honor rating. As this book goes to press the results are unknown, as are also the results of the annual competitive drill.

BOYS' RIFLE CLUB

The Rifle Club is part of the R. O. T. C. department. Under the direction of Sergeant Barlow the group has performed very creditably this year in spite of the fact that it is a newly organized unit.

The riflemen shoot each week at the range under the gymnasium practicing the standing, kneeling and prone position shots required in match firing.

Activities of the year included competition in the Hearst trophy matches and a meet with cadets from a Missouri military academy who came to Davenport High School for the occasion.

According to Sergeant Barlow prospects for next year are excellent as there are a number of outstanding members in the club who are returning in the fall, and who should do good work in the series of rifle meets and telegraph or mail matches which will be scheduled.

The solicitation of the ads
for the succeeding advertising
section is due to the efforts
of these people.

Davenport's oldest Department Store served your Mothers and Fathers—maybe your Grandparents too. But it isn't our age we're proud of. It's the fact that though we're almost three quarters of a century old, we're up to the minute in presenting fashions.

The new boy's department, men's London shop and entire third floor are only a part of the constant program that makes shopping easier at Petersen's.

McCORMICK-DEERING MILK COOLERS

Cool their full-rated can capacity below 50 degrees in an hour or less, twice every 24 hours, at low cost.

This is why McCormick-Deering Milk Coolers are so highly recommended. Bacteria gets little chance to grow when milk is cooled so quickly. Pneumatic water agitation, an exclusive patented McCormick-Deering feature, used in connection with built-up ice bank, makes this fast cooling possible. And cold temperatures are maintained automatically regardless of weather. Check the value built into McCormick-Deering milk coolers. The quality you see on the surface goes all the way through. The box is lined inside and out with heavy, galvanized, rust-resisting steel containing copper and is insulated with the best quality cork, 3 inches thick. These coolers are equipped with an overload control switch, temperature control switch, and a scale trap installed in the refrigerant line. These are among the features that assure trouble-free operation.
